

BREASTFEEDING PEER COUNSELOR
Kewaunee County Public Health Department

The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) Peer Counselor is a para-professional who has breastfed an infant for 6 months or more in the last 7 years. The Peer Counselor provides basic breastfeeding information and encouragement to WIC pregnant and breastfeeding mothers. This is a grant-funded, contracted position, wage \$15.24 per hour, average of 8-25 hours per month. This is a para-professional position and is not a credentialed or licensed health care provider, lactation specialist or IBCLC. Must possess a high school diploma, GED, or equivalent. Possess a valid driver's license. Upon hire, complete the WIC Breastfeeding Peer Counselor Training and obtain 25 hours of continuing education every 5 years. Flexibility to work outside 8:00 a.m. – 4:30 p.m. work hours. Ability to drive from location to location. Administer all program activities within the guidelines of the State's program quality criteria.

A completed county employment application form along with a resume must be submitted prior to 12:00 NOON on Monday, March 30th, 2020.
